

С НОВЫМ ГОДОМ!

Kiev - Monday 7 PM
 We arrived here a short while
 ago and it is raining. We
 are in the city's newest hotel.
 We went to the Bolshoi again
 last night in Leningrad and
 Brezhnev was there. When he
 entered the royal box the
 audience gave him a stand-
 ing ovation and then he
 applauded the audience.
 Walked around Leningrad
 yesterday afternoon. It was
 very crowded with shoppers
 since New Year is coming up.
 The city is so nice - people use
 public transportation instead of
 private cars and there is no
 glut of housing goods - film
